

CAREER OPPORTUNITY: GEOTECHNICAL ENGINEER

Active Earth Engineering Ltd. (Active Earth) is a dynamic environmental engineering firm that has completed over 2,500 projects across southwestern BC. We are currently seeking a **Geotechnical Engineer**, for our Metro Vancouver office or Greater Victoria office. This highly qualified expert will provide technically prudent and practical geotechnical engineering assessment and design recommendations for a range projects and clients.

The successful candidate will have:

- A degree in geotechnical, geological, or mining engineering (or equivalent).
- Registration as a P.Eng. in BC.
- 8-15 years of relevant industry or consulting experience in geotechnical engineering.
- Continuous and varied work experience on a wide range of geotechnical engineering projects in the Lower Mainland and/or on Vancouver Island.
- Proven ability to manage projects and communicate clearly and effectively.
- Demonstrated experience in:
 - Planning and undertaking geotechnical site investigations
 - Foundation design for small and large structures
 - Deep foundations and shoring design
 - Groundwater cut-off wall design
 - Pile design
 - Slope stability assessments
 - Retaining wall design

Active Earth specializes in environmental investigation and remediation, physical hydrogeology, and geotechnical engineering. Our clients include property owners, contractors, developers, government agencies, architects and others. Our company was created in 2007 by a small group of like-minded engineers and geoscientists who wanted to create a unique consulting firm. We provide top-tier environmental engineering services, at competitive prices. We genuinely enjoy working together and love what we do. We have grown into a team of over 20, including hydrogeologists, engineers, project scientists, technicians and professional support staff.

We offer competitive salaries, an extended medical and dental benefits plan, an industry-leading profit-sharing program, and an energetic and collaborative working environment.

Interested applicants should submit a resume and cover letter to employment@activeearth.ca. Any questions may be directed to Mr. Matt Pye at matt.pye@activeearth.ca or 250-686-9850.
